

This Agreement dated the ____ day of _____, 20____.

BETWEEN:

LAKE LIFE PROPERTIES LTD.
of 923 Emmeline Terrace, Saskatoon SK S7J 5G7
("the Developer")

AND:

of _____
("the Property Owner")

Building Specifications and Development Agreement

WHEREAS the Developer owns and is developing land at Lake Diefenbaker as "Sandy Shores Resort", in the RM of Coteau 255;

AND WHEREAS part of such land are the Lots shown on Blk/Par A Plan 102185243 Extension 1, Surface Parcel #203274671, attached hereto;

AND WHEREAS the following Lots in the said Plan are intended for the following uses and/or accommodation:

- a) Lots 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, and 15 in Block 3 on the said Plan - cabins (herein "the Lakefront Zone");
- b) Lots 2 and 3 in Block 3 and all Lots in Block 4 on the said Plan - cabins (herein "the Lakeside/Parkside Zone")
- c) Lot 1 in Block 3 on the said Plan - to be determined by the Developer in its sole discretion;
- d) Lots 16, 17, 18 and 19 in Block 3 on the said Plan – to be determined by the Developer in its sole discretion;

(which Lot or Lots are sometimes referred to herein as "property" or "properties");

AND WHEREAS the Property Owner has entered an agreement to purchase one or more of the properties ("the Property");

AND WHEREAS the parties hereto desire and intend that the development be an aesthetically pleasing and sanitary development;

AND WHEREAS the Developer requires all Property Owners to comply with the building and property development specifications contained herein as they relate to the development in general and which are specifically applicable to the said property being purchased;

AND WHEREAS this Agreement is to be construed with such changes in number and gender as may be required by the context;

THEREFORE THIS AGREEMENT WITNESSES that in consideration of the Developer selling property ("the Property") at Lake Diefenbaker to him, the Property Owner acknowledges and agrees that his ownership of the Property shall be subject to the following restrictions and agrees to be bound by the terms and conditions set out herein:

1. Purpose of Building and Development Agreement

1.1 The Property Owner agrees that the purposes underlying this agreement include but are not limited to:

- i) preservation of the natural environment as much as possible;
- ii) protection and maintenance of the market value of the Property and other properties; and
- iii) respect for the rights of neighbouring Property Owners.

1.2 All development and use of the Property must also comply with the Rural Municipality of Coteau #255 Zoning Bylaw, as amended, pertaining to the "LS - Lakeshore Development District" and "LS2 – Lakeshore Development District 2".

2. Utility Easements

2.1 Some properties may at the discretion of the Developer be subject to easements in favour of suppliers of water, power, gas, telephone, internet and wastewater utilities and services, including SaskPower for location of a transformer and SaskTel. The Property Owner acknowledges that the location of any transformer and which lots will be affected by any such easements, will not be known until such utility and service providers complete their design work and the Developer has negotiated the terms and conditions thereof. The Property Owner further specifically acknowledges and agrees that the Property may be subject to any such easement, and that the same shall not affect or result in a decrease or abatement of the purchase price of the Property.

3. Provision of Services

3.1 The Developer makes no representations or warranties that such utilities and services will be available, but will use its best efforts to have the same delivered to the development as soon as practicable.

3.2 The purchase price of the lot includes water, power, internet service, and telephone utility service to the development, but the Property Owner shall be responsible for all application and hookup fees and costs of equipment and installation in connection therewith.

4. Road Maintenance

4.1 At the date of execution of this Agreement, the Rural Municipality of Coteau #255 has agreed to provide gravel road maintenance. The Developer makes no representations or warranties that such services will be provided indefinitely.

4.2 The Property Owner bears sole responsibility for all costs associated with the construction and maintenance of access (“the Approach”) to the Property from the roads constructed by the Developer, and for the installation of any culverts that may be required for such Approach, all in accordance and compliance with the municipal standards. The Developer has recommended that pre- and post-construction approval of the Rural Municipality of Coteau #255 foreman be obtained. Construction specifications include:

- i) Minimum of 1 meter inset from the property boundary, unless the Developer has expressly approved an Approach that is shared between properties;
- ii) Width of the Approach must be a minimum of 7 meters or as otherwise approved by the RM of Coteau, with surface crowning that facilitates appropriate drainage to existing ditch areas.

4.3 Each property must have an Approach, subject to the Developer approving a shared Approach as aforesaid.

4.4 The Approach surface is not included in the calculation of the building envelope.

4.5 No on-street parking is permitted.

4.6 The Approach shall be gravelled. Dirt or grass approaches are not permitted.

4.7 The Property Owner is solely responsible for the maintenance and snow removal related to his Approach.

5. Sanitation Requirements

5.1 The Property Owner will be responsible to supply water to his dwelling, all in accordance with bylaws of the Rural Municipality of Coteau #255 enacted from time to time. All water and wastewater tanks must be buried or contained within an accessory building that complies with construction specifications contained herein. No exposed water or wastewater tanks, or water supply systems will be permitted on the properties.

5.2 Water and wastewater tanks must each be a minimum 4,546 litres.

5.3 The Property Owner is responsible for his own grey and sewage water disposal and agrees to follow all Federal, Provincial, Municipal, and Regional regulations with respect to the same, including, but not limited to *The Saskatchewan Pollution & Drainage Regulations*, and *The Shoreland Pollution Control Regulations*.

5.4 Each property with wastewater tanks shall have connections to haulers available from the municipal roadway. Costs related to the same shall be paid by the owner of such property.

5.5 The Property Owner further agrees that it will comply with all rules and regulations set out by the Saskatchewan Health Authority or any Health Authority having jurisdiction with regard to waste management and any other subject, and that it will comply with any further regulations or rules declared by any Federal, Provincial, Municipal, or regulatory body after the date of execution of this Agreement.

5.6 The Property Owner acknowledges and agrees that pursuant to the bylaws of the Rural Municipality of Coteau No. #255, waste water disposal must be handled by a licensed operator and dumped in a licensed facility.

5.7 No septic field pumpouts are permitted.

5.8 All plumbing and sewage systems require a permit and inspection from the appropriate Health Authority.

5.9 The Property Owner agrees that neither the Developer nor the Rural Municipality of Coteau #255 is responsible for the disposal of the Property Owner's garbage.

5.10 The Property Owner is responsible for removal of household waste and garbage disposal from the Property. Construction garbage must be removed from the Property on a monthly basis. The Property Owner shall abide by all other garbage disposal regulations imposed by the Rural Municipality of Coteau #255.

5.11 The Property Owner agrees to retain at its expense a reputable firm to provide garbage disposal services, but in any event bulk disposal bins are strictly prohibited.

5.12 No lumber, grass, shrubs or tree clippings, plant waste, metals, bulk materials, scrap, unsightly objects, construction materials, or debris shall be kept, stored or allowed to accumulate on any portion of the Property except within an enclosed structure screened from view.

6. Further Sub-Division of Lots Prohibited

6.1 All Property Owners are prohibited from undertaking any further sub-division of their properties. However, the Developer retains the right to develop additional land in the area.

7. Building Construction and Property Use

7.1 The Property Owner acknowledges that the Rural Municipality of Coteau #255 requires permits for moving, construction and demolition of structures greater than 100 sq ft. The Property Owner is solely responsible for obtaining any moving, construction or demolition permits, or any inspections required by the said Rural Municipality, and is solely responsible for all costs associated with the same. The Property Owner further acknowledges that all development of his property must comply with the zoning and building bylaws of the said Rural Municipality and he agrees to so comply.

7.2 The Property Owner acknowledges that there are presently no specifications for building on the said Lots 1, 16, 17, 18, and 19 in Block 3 on the said Plan, and agrees that plans for the use of Block 3 and specifications for buildings thereon are at the sole discretion of the Developer.

7.3 The following is applicable to the property owners in the Lakefront Zone:

- a) there shall be no more than one dwelling constructed on each property.
- b) mobile home trailers, manufactured homes, and park model homes are prohibited, but modular homes and RTMs are allowed provided that they comply with the specifications set forth in this paragraph 7.3.
- c) travel trailers, motor homes, and motorized campers are permitted for temporary use only, but for a period not exceeding 36 months from the date of purchase of the Property; none of them shall be skirted or otherwise affixed thereto for any permanent use.
- d) the Property Owner may place in the lake no more than one dock per property, which dock may accommodate no more than two boats, and the location of which dock shall be as designated by the Developer on the development map, with any variation therefrom due only to climate and lake conditions; no dock and no boat space thereof shall be rented to any third party.
- e) the exteriors of the dwelling constructed, erected or placed on the property must be completed within one year of commencement of the same, and shall comply with the following:

- i) the dwelling must be of a minimum of 1,000 square feet of usable floor space on either one or two floors, not including any garage, deck, patio and sunroom;
 - ii) construction must be of new material;
 - iii) siding must be vinyl, rock, wood, stucco or brick; metal and asphalt siding is prohibited;
 - iv) roofing shall be asphalt shingles, metal, clay tiles, cedar shakes, or cedar shingles;
 - v) eavestroughs and downspouts must be installed;
 - vi) the height of the dwelling shall not exceed 10.5 meters at its peak.
- f) accessory buildings constructed or placed upon the property must be maintenance free construction and in accordance with the construction standards and specifications set forth above.
- g) sheds may be constructed of wood, vinyl or metal. Sheds of wood construction must be sided with maintenance free material including vinyl siding, stucco, brick, aluminum, or other aesthetically pleasing maintenance free product.
- h) the maximum area of a detached garage shall not exceed 80.4 square meters and its height shall not exceed 5.5 meters at its peak.
- i) the cumulative square footage of all buildings (including both floor of the dwelling if two-storied), temporary vacation trailers, and other structures (whether attached or unattached) shall not exceed 50% of the surface area of the property.
- j) travel trailers, motor homes, motorized campers, and park model homes are permitted for temporary use only.
- k) all buildings and structures, whether built or placed on the property, must comply with the following setback requirements (such setbacks to be measured from the portion of such building or structure located closest to the edge of the property); notwithstanding compliance with the following setback requirements, any configuration of buildings and structures shall comply with and allow for the parking required by section 8 hereof:
- i) for all buildings and garages:
 - (a) front - 6.0 metres
 - (b) side - 1.52 metres
 - (c) rear - 3.0 metres
 - ii) for non-enclosed sundecks:
 - (a) front - 3.0 metres
 - (b) side - 2.0 metres

- (c) rear - 2.0 metres
- iii) for enclosed sundecks:
 - (a) front - 3.0 metres
 - (b) side - 2.0 metres
 - (c) rear - 2.0 metres
- iv) eaves or overhangs on any temporary vacation trailer, building, or structure of any nature shall be set back at least 1.52 metres from any property line so as to not encroach upon the abutting property.

7.4 The following is applicable to the property owners in the Lakeside/Parkside Zone:

- a) there shall be no more than one dwelling constructed, erected or placed on each property.
- b) such construction shall comply with the following:
 - i) the dwelling, RTM, or modular homes must be new and must be of a minimum of 500 square feet of usable floor space on either one or two floors, not including any garage, deck, patio and sunroom;
 - ii) construction must be of new material;
 - iii) siding must be of vinyl, rock, wood, stucco or brick; metal and asphalt siding is prohibited;
 - iv) roofing must be any of asphalt shingles, metal roofing, clay tiles, cedar shakes, or cedar shingles;
 - v) eavestroughs and downspouts must be installed;
 - vi) the height of the dwelling must not exceed 10.5 metres at its peak.
- c) mobile homes, park models and manufactured homes are prohibited from the Lakeside/Parkside Zone, provided however that travel trailers, motor homes, and motorized campers are permitted for temporary use only, but for a period not exceeding 36 months from the date of purchase of the Property; none of them shall be skirted or otherwise affixed thereto for any permanent use.
- d) Accessory buildings constructed or placed upon the property must be of maintenance free construction and in accordance with the construction standards and specifications set forth above.
- e) Sheds may be constructed of wood, vinyl or metal. Sheds of wood construction must be sided with maintenance free material including vinyl siding, stucco, brick, aluminum, or other aesthetically pleasing maintenance free product.
- f) the maximum area of a detached garage shall not exceed 80.4 square meters and its height shall not exceed 5.5 meters at its peak.

- g) the cumulative square footage of all buildings (including the square footage of both floors of the dwelling if two-storied), temporary vacation trailers, and other structures (whether attached or unattached) shall not exceed 50% of the surface area of the property.
- h) all buildings and structures, whether built or placed on the property, must comply with the following setback requirements (such setbacks to be measured from the portion of such building or structure located closest to the edge of the property):
 - i) for all buildings and garages:
 - (a) front - 6.0 metres
 - (b) side - 1.52 metres
 - (c) rear - 3.0 metres
 - ii) for non-enclosed sundecks:
 - (d) front - 3.0 metres
 - (e) side - 2.0 metres
 - (f) rear - 2.0 metres
 - iii) for enclosed sundecks:
 - (d) front - 3.0 metres
 - (e) side - 2.0 metres
 - (f) rear - 2.0 metres
 - v) eaves or overhangs on any temporary vacation trailer, building, or structure of any nature shall be set back at least 1.52 metres from any property line so as to not encroach upon the abutting property.

7.5 The following is applicable to all Property Owners of the Lakefront and the Lakeside/Parkside Lots:

- a) Construction of the dwelling thereon must be completed within 48 months of the date of purchase of such Lot. Failure to do so will entitle the Developer or its designate to a sum of \$2,500.00 for each year thereafter or part thereof that such construction is not completed.
- b) Gazebos may be used for the purpose of providing shade and housing a picnic table and chairs. Gazebos must be anchored securely so as not to become a hazard to adjacent property. Gazebos shall be kept neat, tidy and in good repair at all times or must be removed from the property.
- c) Property Owners that wish to protect tires from the sun are required to use tasteful covers. Unpainted plywood or plastic tarps are prohibited.
- d) Any fencing must be limited to the Property Owner's property, and it is the individual Property Owner's responsibility to ensure that fencing does not encroach on neighbouring properties, municipal reserve, or environmental reserve areas. Location of property boundaries will be indicated by survey

pins. Any additional identification of property boundaries will be responsibility of the Property Owner.

- e) Barbed-wire fencing is not permitted on any property, for any purpose whatsoever.
- f) Privacy or screening walls must not exceed 2 meters in height measured from natural grade.
- g) Grading and Drainage: Surface drainage upon and across any building envelope must be addressed through the implementation of sound construction and grading practices. Any improvement which creates an obstruction to surface flows resulting in a back-up of storm waters onto a neighbouring home site or tract is strictly prohibited.
- h) Utilities. Any tanks, fuel storage, water tanks or similar storage facilities must be hidden behind appropriate screening by walls or structure so as to be completely hidden from view from municipal roadways and lakeshore or installed underground. Bulk fuel (gasoline or diesel) storage is prohibited.
- i) Lighting. No street lighting will be employed by the Developer to minimize light pollution. No additional lighting by a property owner may occur outside of the building envelope. Lighting within the building envelope is permitted provided such lighting does not result in excessive glare toward neighbouring properties or public areas. All exterior lighting must be of a low level intensity, with the source of light shielded, directed downward, and is subject always to the approval of the Developer.
- j) Solar Applications. Active solar applications must be integrated into the structure of the site and the Property Owner must ensure that the solar panels do not result in excessive glare toward the street, neighbouring properties or public areas.
- k) Any accessory use or building constructed of a fabric material is prohibited.
- l) Except as hereinbefore expressly permitted, Box Cars, Sea and Rail Containers are prohibited.

8. Parking

8.1 The Property Owner is encouraged to establish primary storage for his watercraft beside or behind the main dwelling, to minimize the watercraft's visibility from the municipal road.

8.2 No on-street parking is permitted.

8.3 Parking surfaces must be gravelled, concrete, asphalt, or paving stones. Dirt or grass surfaces for parking are not permitted.

8.4 All passenger vehicles or watercraft must be parked on the Property Owner's own property or in an area specifically designated for accessory parking. No parking of passenger vehicles or watercraft is allowed on the roadways or municipal reserve areas.

9. Preservation of Vegetation, Landscaping & Site Maintenance

9.1 The Property Owner is expressly prohibited from clearing any vegetation outside the boundaries of the Property, whether in the Environmental reserve area, the neighbouring property, or elsewhere.

9.2 No clear cutting of vegetation outside of the building envelope will be permitted. Removal of vegetation requires the approval of the Developer, and failure to obtain such approval is subject to a charge of \$2,000.00 payable to the Developer or its designate. Great care must be taken in designing site improvements around existing vegetation so root systems remain intact. Lying and standing deadfall may be removed from site.

9.3 Property owners shall not have open fires, except in properly constructed fire pits and in accordance with applicable provincial and municipal regulations and bylaws. The area around the fire pit must be prepared to ensure the fire is controlled.

9.4 Basic landscaping on the property is mandatory. The Property Owner shall be responsible for all maintenance on the Property including, but not limited to mowing and trimming of grass, weeds, and trees and compliance with the Rural Municipality of Coteau #255 bylaws regarding mandatory control of noxious weeds.

9.5 No open excavations shall be permitted on the property and no soil, sand or gravel shall be removed from the property except for the purpose of construction on the property, or for the improvement or landscaping of the property.

9.6 Tarp covers are not permitted for long term storage of any materials. No motor vehicle, watercraft or golf cart may be covered by an ordinary tarpaulin. Use of custom fitted, commercial, fabric coverings is encouraged.

10. Livestock & Pets

10.1 No poultry, birds, livestock (swine, cattle, sheep, goats etc.) or animals of any kind other than domestic pets (dogs and cats) shall be kept on the property.

10.2 No domesticated household pets, regardless of type, shall be permitted to run at large or create a nuisance. A nuisance includes, but is not limited to, the following:

- (i) running at such a distance from its owner so as to be incapable of responding to voice or sight commands;
- (ii) doing any act that injures a person or another animal;
- (iii) chasing or otherwise threatening a person or another animal;
- (iv) biting, barking at, or chasing livestock, bicycles or motor vehicles;
- (v) excessive barking or howling or otherwise disturbing any person or other animal; or
- (vi) causing damage to property.

10.3 If a cat or dog defecates on any public or private property other than the property of its owner, the owner of the cat or dog shall remove the defecation immediately.

10.4 The maximum numbers of pets that the Property Owner may have on the Property at any one time is two cats and two dogs.

10.5 Notwithstanding any of the foregoing, every dog and cat must be kept on a leash no more than two metres long, and the Property Owner must be holding onto the leash when off his own property.

11. Environmental Reserve and Lakeshore areas

11.1 Property Owners do not own any land outside the boundaries of their respective properties, and have no proprietary rights with respect to the same. The Property Owner specifically acknowledges and agrees as follows:

(a) Under *The Planning and Development Act 1983*, Environmental Reserves must be left in their natural state in accordance with the directives of the Department of Community Planning.

(b) Property Owners do not own the land between the edge of their respective lots and the lake shore. Any development of the foreshore is the responsibility of Water Security Agency.

11.2 Property Owners must be aware of, and comply with all applicable statutes, rules, and regulations in regard to the Environmental Reserve areas.

11.3 Without limiting any of the foregoing, and except as provided and allowed in paragraph 7.3d) hereof, the Property Owner agrees that he will not place docks in the Environmental Reserve or in areas adjacent to the development. Any docks so placed shall entitle the Developer to the sum of \$5,000.00 for each year or portion thereof while the dock remains, such charge to be payable to the Developer or its designate.

12. Lake Access

12.1 Unless the Property is in the Lakefront Zone, the Property Owner acknowledges and agrees that his access to the lake for the purposes of boating, or introducing any type of motorized water craft into the lake, shall be through a boat launch area or the proposed marina, if constructed.

12.2 The Property Owner agrees not to encroach on the properties in the Lakefront Zone, and agrees that his use of the lakefront area shall be limited to the dedicated Municipal Reserve areas, and in accordance with Section 11.

13. Use of Recreational Vehicles

13.1 The Developer intends to develop a number of walking paths that allow the Property Owners to use the paths for pedestrian or bicycle traffic only. Driving any type of vehicle, recreational vehicle, all terrain vehicle, or other motorized vehicle on the walking paths is expressly prohibited. However, the Developer maintains the right to use motorized vehicles for the construction and/or maintenance of the recreational pathways. Use of any type of motorized vehicle on these walking paths by anyone other than the Developer will result in a fine payable to The Developer or its designate. This fine will be a sum of \$2,500.00 or cost of repairs at The Developer or its designate's discretion. This fine is applicable per occurrence.

13.2 Pleasure riding of snowmobiles, motorcycles, and all-terrain vehicles of any type must be done in accordance with applicable federal, provincial and municipal legislation, and having at all times regard to the rights of fellow property owners to have quiet use and enjoyment of their property.

14. Compliance with Laws

14.1 The Property Owner acknowledges and agrees that the terms and conditions set out herein are minimum requirements between him and the Developer and with other Property Owners upon the registration of the within Agreement against all properties within the development, and that the Property Owner must also comply with all applicable Federal, Provincial, and Municipal building codes and zoning regulations, and all applicable regulations from any other governing body or authority.

14.2 The Property Owner must comply with all applicable Federal and Provincial environmental laws and regulations as enacted from time to time.

14.3 The Property Owner must comply with all sanitary, health or other building conditions imposed by the Department of Community Planning from time to time.

14.4 The Developer will not be held liable and is absolved from any responsibility for the breach of any Federal, Provincial, or Municipal statute, regulation, bylaws, policies, or building requirements by any Property Owner, and the Property Owner hereby agrees to indemnify the Developer for and save the Developer harmless against any claims, losses, expenses, and costs (including legal costs on a solicitor and client basis) which the Developer may sustain or incur as a result of failure of the Property Owner to comply with such statute, regulation, bylaw, policy or requirement.

15. Agreement to Run with the Land

15.1 The Property Owner acknowledges and agrees that this agreement constitutes a restrictive covenant and is binding on his heirs, executors and assigns, and that the agreement shall bind all subsequent purchasers. The Property Owner expressly acknowledges that it has been made aware that an Agreement containing the same terms or substantially the same terms as those herein will be registered against each of the titles to the properties in the development (including the Property) for the protection of the Property Owner and other Property Owners in the development. The Developer shall bear all Land Titles and legal fees associated with registration of such an Agreement.

16. Compliance

16.1 The Developer will collect \$1,000 at the time of signing this document for payment to the Sandy Shores Resort Community Association. The funds will be held as security for the Property Owner's compliance with this Agreement, which may be enforced by the said Community Association, and otherwise used for the purposes of such Community Association as hereinafter set forth.

16.2 The Property Owner acknowledges that the Sandy Shores Resort Community Association has been incorporated as a non-profit corporation for the purposes of administering and enforcing any of the obligations of the Property Owner hereunder and otherwise is to be the entity by which the community of Property Owners in the said Development may address interests and concerns that are common among them.

16.3 The Developer has so designated the Sandy Shores Resort Community Association as its agent for such purposes, and subject to any conditions that the Developer may in its sole discretion impose thereon, the said Community Association shall be authorized to enforce the provisions of this Agreement, including the collection of any amounts to be paid hereunder for a breach of its terms.

16.3 The Property Owner agrees to apply in a timely way for and maintain his membership in such Community Association and to take such further steps and to sign such further documentation that are reasonably required to that end.

17. Miscellaneous

17.1 This agreement shall be governed by the laws of the Province of Saskatchewan.

17.2 The parties hereto agree to execute all further documents necessary to give effect to this agreement.

17.3 Time shall be of the essence of this Agreement.

IN WITNESS WHEREOF the Developer has hereunto set affixed its seal, attested to by the proper signing officer in that regard, this _____ day of _____, 20____.
